

ENGLAND SAYS NO ALUM IN FOOD

and strictly prohibits
the sale of alum
baking powder—

So does France
So does Germany

The sale of alum foods
has been made illegal in Washington and the District of Colum-
bia, and alum baking powders are everywhere recognized as
injurious.

To protect yourself against alum,
when ordering baking powder,

Say plainly—

ROYAL BAKING POWDER

and be very sure you get Royal.

Royal is the only Baking Powder made from Royal Grape
Cream of Tartar. It adds to the digestibility and whole-
some-ness of the food.

Rheumatism

I have found a tried and tested cure for Rheu-
matism! Not a remedy that will straighten the
dislocated limbs of chronic cripples, nor turn heavy
growths back to flesh again. That is impossible.
But I can now surely kill the pains and pains of
this deplorable disease.

In Germany—with a Chemist in the City of
Bonn—I found the last ingredient with
which Dr. Shoop's Rheumatic Remedy was made
a perfect, dependable prescription. Without
that and ingenuity, I successfully treated many
cases of Rheumatism before, but it is a
curious fact that all curable cases of this terrible
suffering disease. These anti-like granular
wastes, found in Rheumatic blood, seem to dissolve
and pass away under the action of this remedy as
freely as does sugar when added to pure water.
And then, when dissolved, these poisonous wastes
freely pass from the system, and the cause of
Rheumatism is gone forever. There is now no
real need—no actual cause to suffer longer with-
